

Lloyds BBQ Subsidiary of General Mills

STRUCTURE: Meat Processing Plant

LOCATION: St. Paul, MN

PROJECT DATE: 1998-1999

PRODUCT USED: Ucrete HP

CLIENT: Lloyds BBQ

AREA: 24 850 ft2

PROJECT DESCRIPTION:

After experiencing a number of failures with different contractors and flooring systems, Vector Construction Inc. was contacted to discuss the possible solutions to their flooring problems. Upon installing a Ucrete HP sample, which provided superior durability over other products installed, Vector Construction Inc. became the sole contractor to perform flooring work at Lloyds BBQ. All work has been completed over short duration plant shutdowns where attention to scheduling and planning are essential to ensure projects are completed on time and on budget.
